July 21, 2020 - Randy Block: Your Brain Can Change

We cannot control what is happening today. It can feel quite overwhelming. BUT We can control our reaction. This talk addresses maintaining positivity.

Mission Statement:

Experience Unlimited Contra Costa Chapter (EUCCC) is a volunteer network of business professionals who come together to provide a supportive environment that empowers our members with self-help job search and marketing skills and to provide a forum for professional networking and sharing job leads.
